SHEEP
WEIGH CRATE

AVAILABLE IN EITHER MOBILE OR STANDARD.

Our entry-level sheep weigh crate offers both increased accuracy and convenience. It is specifically designed with an outer frame that enables effortless usage on various terrains, making it a versatile solution for farmers and livestock handlers.

SHEEP
3-WAY LIGHT WEIGH CRATE

Our entry level 3-way drafting crate allows you to draft animals into 3 output groups. Excludes outer frame, but still robust enough to get the job done.

GALVANISED OR SPRAY PAINTED. LOAD BARS AND INDICATORS OPTIONAL EXTRA'S. BUILT WITH 32 X 2MM PIPE & 25 X 2MM PIPE

SHEEP
3-WAY WEIGH DRAFTING CRATE

Our top of the range crate enables up to 3-way drafting with linear slide gates that move easily and quietly maximising sheep flow. With an outer frame for various terrains you will weigh and draft your flock with ease.
